

# MUGOO ChatGPT Presentation

September 22, 2025.

LeRoy Lees, P. Eng.

# Introductory Presentation

- This isn't a tutorial
- I am not an expert
- When many knowledgeable friends make daily frequent use
- Its good reason to use in daily lives
- I use the FREE version

# Items to be covered

- How to access-there are several choices
- Strategy in making the query....think
- Important factor ....phrasing the question correctly
- Sidebar retention and reviewing MY Queries
- Your experiences

# How to Access

- Direct chatGPT app from the Apple App Store
- Several Alternatives -Deep Seek ... Google ... Facebook
- Apple Intelligence with newer iOS Phones and iPads

# Strategy

- Sticking to one basic app in the beginning
- Just to get some experience.....

# How do you Address ChatGPT

- Call it THE BOSS .... as in OK BOSS
- Important ... its a computer ..... not a person

# Important Factors

- How you phrase the query or request
- This is really important to get good results
- You can rephrase or
- You can make additional add ons to your question

# Show Your Results in Sidebar for Retention

- Very useful
- Can easily be referred to at a later date

# My Queries - Detailed

- Keyboard troubleshooting with elderly client
- 4 hours with Apple on-line
- Advised eventually to buy new keyboard,
- this was a 3 month old iMac
- with right question to chatGPT solution obtained
- solution forwarded in iMessage - VOILA
- Second question re stopping screen sleeping with new MacOS
